UNITED STATES DISTRICT COURT DISTRICT OF NEVADA

JQ SOLUTIONS, vs.	Plaintiff,)	Case No. 2:11-cv-00101-RLH-PAL ORDER (Mtn to Stay Order - Dkt. #34)
MICHAEL DAHIR, et al.,	{	(Mill to Stay Order Dkt. 1134)
	Defendants.	

This matter is before the court on the Plaintiff's Motion to Stay Order (Dkt. #34). Plaintiff points out that the court's Discovery Plan and Scheduling Order ("DPSO") (Dkt. #32), entered March 12, 2012, erroneously states his breach of contract claim was dismissed. At page 2, lines 20-21, the DPSO provides, "the only claim that has not been dismissed is a single count of computer fraud and abuse under 18 U.S.C. § 1030. Plaintiff's breach of contract claim has been dismissed."

The Report of Findings and Recommendation (the "R&R") (Dkt. #5), entered March 16, 2011, recommended that Plaintiff's claim under 18 U.S.C. § 1030 be dismissed, but because Plaintiff invoked the court's diversity jurisdiction and alleged the essential elements of a contract claim arising under Nevada law, the Complaint stated a claim for breach of contract. *See* R&R at 2:25-3:10. In an Order (Dkt. #12) entered June 1, 2011, District Judge Hunt concluded 18 U.S.C. § 1030(g) provides a private right of action, and he rejected that portion of the R&R. *See* Order at 2:18-25, 4:19-20. He affirmed the R&R in "all remaining aspects." *Id.* at 4:21.

Thus, Plaintiff is correct. His breach of contract claim remains pending, as does his claim under 18 U.S.C. § 1030.

Accordingly,

Case 2:11-cv-00101-MMD-PAL Document 41 Filed 05/17/12 Page 2 of 2

IT IS ORDERED that Plaintiff's Motion to Stay Order (Dkt. #34) is GRANTED to the extent that the DPSO (Dkt. #32) is AMENDED to strike the portion at page 2:20-21 that reads, "However, the only claim that has not been dismissed is a single count of computer fraud and abuse under 18 U.S.C. § 1030. Plaintiff's breach of contract claim has been dismissed."

Dated this 16th day of May, 2012.

PEGGY A. LEEN

UNITED STATES MAGISTRATE JUDGE
